Our personal favorite is the Live Events Not only the playing experience is superior, you would also be able to gather special bonuses and experience points which can be used for managing your team.. Live events are special games which reward you with extra rewards, while in the head-to-head games, you challenge individual players in asynchronous matches.. It has got everything that would keep you busy for hours together Let's play along.. At first, you are presented with a tutorial, which teaches you the game's basic concepts and also guides you how to play and makes you comfortable with all the controls you might use. [Life](#)
